VOICES OF THE FAMILY

"We Thought"

We thought we'd have plenty of time to spend together

We thought we'd see your beautiful smile forever

We thought we'd always hear your wonderful laugh

But you're gone so we're dealing with the aftermath

We never thought we would say goodbye so soon

We'll miss how your presence just lit up a room

We thought we'd hear your voice for a while longer

*You'd be happy to know the comfort of your many
friends are making us stronger*

Remarkable, sensational, kind and caring you are

*Know that your legacy and memory will live on both
near and far.*
